

P.S. 94Q's ANNUAL TOY AND FOOD DRIVE

Dear P.S. 94 Family,

This year we are continuing the traditional toy drive for Fort Greene SNAP and getting an early start! This is a small community based organization that provides assistance to grandparents who are raising their grandchildren on their own. These grandparents have taken on this responsibility with little or no government assistance. During these difficult economic times, these grandparents are struggling to meet the basic necessities for their grandchildren. **Please contribute a NEW unwrapped toy.** The children range in age from infant to 12 years of age.

In addition, **there will be a food drive as well.** The Fort Greene SNAP Community is also looking forward to food. So, **please contribute a non-perishable item of food, a canned good.**

In the past your generosity has made a tremendous difference for so many of the children. A toy bin box and food drive box will be located in Room 102. This tradition was close to Mrs. Andrea Franke's heart, our beloved science teacher.

Charity is the virtue of the month for December. Let us continue our charitable tradition in the name of Mrs. Andrea Franke.

All donations due by Thursday, December 14, 2017.

Thank you,
Ms. Morse
Student Council Facilitator

Happy Holidays
