7:00pm. - 8:00pm. – Town Hall Meeting and PTSA Meeting in the Auditorium.

Principal Avakians will give a brief welcome and you will meet all the teachers in our school, as well as our wonderful parent volunteers. A PTSA meeting will follow.

PS 94's Instructional Focus: Multiple Entry Points

Rather than relying on only printed materials and whole class lecture notes, teachers will incorporate multiple formats to represent information and enhance student engagement, e.g. multiple versions of story or of a math or scientific process; teachers will use multimedia collections, including images, sounds, text, video, concept maps, web links, or animation of text-meaning.
