2018 Booster Ads for the Yearbook

Each year the graduating class of PS94 publishes a yearbook, which is distributed to all fifth-graders. Parents, teachers, friends and graduates have the opportunity to send a short congratulatory message within the yearbook to their own graduating children, other graduating students, teachers and staff members. We hope that each child will receive at least ONE booster from their family.

You may also write the message to one or more students or to the entire grade. You may combine two messages in one, as long as you keep it under 22 words.

The cost of the boosters is \$4 each for the maximum of 22 words.
Please note we cannot accept boosters longer than 22 words.
