

Join me for *PC Café* on Tuesday, **February 26** at 9:00 am. – 10:00 am.

**Family workshop: Importance of Empathy**

*Presented by School's Mental Health Counselor Michelle Lobachewski  
(Presenter of Raising a well-rounded, healthy child)*

Teaching children *empathy* is more important than ever. Empathy is beneficial for young children to:

- Build strong relationships with other children and educators
- Allows them to have tolerance and acceptance for others
- Increases social harmony
- Promotes good mental health and reduces the likelihood of bullying

Join us to learn how to foster empathy and how to develop it with your child at home!

Please note time for questions is included as well as resources to take home!

Serving refreshments!
